It was the night before Christmas, when all through the house

Not a creature was stirring, not even a mouse;

The stockings were hung by the chimney with screws

Never with Wera a need to use glues

As I drew in my head, and was turning around

Down the chimney St. Nicholas came with a bound.

A bundle of tools he had flung on his back

An Advent Tool Rebel, with a practical pack!

Again, this year, we will make the hearts of DIY enthusiasts' beat faster and accompany you in the Christmas season with what is probably the most iconic Advent calendar.

Four innovative Joker double open-ended wrenches with a small return angle of only 15° will be coming your way: now with a new super-useful clip. The perfect solution for mobile applications.
