

Connectors > D-Shaped Connectors > D-Sub Connectors > Box Mount D-Sub Connectors

Connector & Housing Type: **Receptacle**  
Round Termination Post & Tail Diameter: **.76 mm [.03 in ]**  
Connector System: **Cable-to-Board**  
Number of Positions: **15**  
Power/Signal/Coax Combination: **No**

Features

Product Type Features

|                                   |                       |
|-----------------------------------|-----------------------|
| Connector & Housing Type          | Receptacle            |
| Connector System                  | Cable-to-Board        |
| Connector Shell Size              | 2                     |
| Sealable                          | No                    |
| Connector & Contact Terminates To | Printed Circuit Board |

Configuration Features

|                               |          |
|-------------------------------|----------|
| PCB Mount Orientation         | Vertical |
| Number of Positions           | 15       |
| Power/Signal/Coax Combination | No       |

Body Features

|                                    |           |
|------------------------------------|-----------|
| Rear Shell Material                | Steel     |
| Rear Shell Plating Material        | Cadmium   |
| Front Shell Plating Material       | Cadmium   |
| Front Shell Material               | Steel     |
| D-Sub Connector Insert Arrangement | MS18274-1 |

Contact Features

|                                      |        |
|--------------------------------------|--------|
|                                      | 10 μin |
| Contact Mating Area Plating Material | Gold   |

|                                               |         |
|-----------------------------------------------|---------|
| PCB Contact Termination Area Plating Material | Gold    |
| Contact Base Material                         | Brass   |
| Contact Type                                  | Socket  |
| Contact Size                                  | Size 20 |
| Contact Current Rating (Max)                  | 5 A     |

Termination Features

|                                        |                  |
|----------------------------------------|------------------|
| Termination Post & Tail Length         | 3.95 mm[.156 in] |
| Round Termination Post & Tail Diameter | .76 mm[.03 in]   |

Mechanical Attachment

|                        |                 |
|------------------------|-----------------|
| Mounting Hole Diameter | 3.05 mm[.12 in] |
| Mating Alignment       | Without         |

Housing Features

|                    |                  |
|--------------------|------------------|
| Centerline (Pitch) | 2.77 mm[.109 in] |
|--------------------|------------------|

Usage Conditions

|                             |                            |
|-----------------------------|----------------------------|
| Operating Temperature Range | -55 – 125 °C[-67 – 257 °F] |
|-----------------------------|----------------------------|

Operation/Application

|                     |        |
|---------------------|--------|
| Circuit Application | Signal |
|---------------------|--------|

Packaging Features

|                  |         |
|------------------|---------|
| Packaging Method | Package |
|------------------|---------|

Other

|                             |                                                  |
|-----------------------------|--------------------------------------------------|
| D-Shaped Connectors Comment | For solder dip product see part number 443975-7. |
|-----------------------------|--------------------------------------------------|

Use personal protective equipment as required. Do not eat, drink or smoke when using this product. Recycle if possible and dispose of the article by following all applicable governmental regulations relevant to your geographic location.

|                           |                                      |
|---------------------------|--------------------------------------|
| Halogen Content           | Not Yet Reviewed for halogen content |
| Solder Process Capability | Wave solder capable to 265°C         |

Product Compliance Disclaimer

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information they provided. This information is subject to change. The part numbers that TE has identified as EU RoHS compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, mercury, PBB, PBDE, DBP, BBP, DEHP, DIBP, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2011/65/EU (RoHS2). Finished electrical and electronic equipment products will be CE marked as required by Directive 2011/65/EU. Components may not be CE marked. Additionally, the part numbers that TE has identified as EU ELV compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, and mercury, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2000/53/EC (ELV). Regarding the REACH Regulation, the information TE provides on SVHC in articles for this part number is based on the latest European Chemicals Agency (ECHA) 'Guidance on requirements for substances in articles' posted at this URL: <https://echa.europa.eu/guidance-documents/guidance-on-reach>
