

## Datasheet for part number TST24RA00

|                                                                               |
|-------------------------------------------------------------------------------|
| Our Catalog Part Number: TST24RA00                                            |
| Our Global Manufacturing Part Number: 192923-6040                             |
| Brand: Cannon Product Category: Trident Product Line: Trident Series: TSTRECT |

| Product Datasheet      |                                                                       |
|------------------------|-----------------------------------------------------------------------|
| Series                 | Trident Snap Together Rectangular                                     |
| Operating Voltage      | Up to 250 V ac rms                                                    |
| Contact Current Rating | Up to 13 A                                                            |
| Operating Temperature  | -55°C to +105°C                                                       |
| Insulation Resistance  | 5000 Megaohms at 500 V dc                                             |
| Durability             | Up to 500 Mating Cycles                                               |
| Flammability Rating    | UL94-V0                                                               |
| Number of Contacts     | 24                                                                    |
| Type                   | Panel Mounted Receptacle (without Contacts)                           |
| Contact Type           | No Contacts delivered, please order separately.                       |
| Colour                 | Insulator: Black Nylon for Industrial and Transportation Applications |
| Plating                | None                                                                  |
