

Assortment boxes with loose insert bins

Variable and versatile assortment boxes with “pizzazz”: Cleverly dimensioned insert bins with three extra compartments offer plenty of space for items such as folding rulers and screwdrivers. The removable scale insert can be used as a measuring tool (cm/inch).

Organised
Secure assorting due to the locking knobs in the lid

Safe & secure
Locking knobs prevent insert bins from shifting

Useful
Scale insert with cm/ inch

Tip!

Slip-in labels are available as a download template – please feel free to visit our website (www.allit.de/en)
