Resistor Type **Power Resistor**
Number of Terminations **2**
Size Code **1206**
Packaging Method **Taped & Reeled**
Tolerance **1%**

No documentation available.

Product Type Features	Resistor Type	Power Resistor
	Size Code	1206
	Element Type	Thick Film
	Product Type	Fixed Resistor
Configuration Features	Number of Resistors	1
Electrical Characteristics	Tolerance	1%
	Resistance (Ω)	560
	Power Rating (W)	.5
	Voltage Rating (V)	200
Termination Features	Number of Terminations	2
	Termination Type	Solder

Mechanical Attachment	Mount Style	Surface Mount
Dimensions	Dimensions (mm)	3.1 x 1.55 x .55
Packaging Features	Packaging Method	Taped & Reeled
Statement of Compliance	Statement of Compliance PDF
