Description

With its highly reliable drive mechanism, the Honeywell 85000 Series features an odometer gear train and accurate quartz crystal timing to provide enhanced performance. UL/CSA recognized, with a variety of mounting styles. An improved odometer gear train, plus snap-together chassis, fits into a shock-proof, totally sealed case often resistant to many acids and solvents. All parts are in-process inspected. Every meter must pass a 100% function, burn-in, and timing accuracy test before shipping.

Features

- Custom CMOS integrated circuit
- Indicates operating time in hours and tenths, plus has a running indicator
- Totally sealed
- Battery system voltages: 6, 12, 24, 36, 48, 60, 72, and 80 Vdc
- UL, CSA

Potential Applications

- Lawn tractors
- Garden tractors
- Farm equipment
- Gen sets
- Construction equipment
- Utility vehicles
- Industrial equipment
- Recreational vehicles
- Golf carts
- Aircraft
- Medical equipment
- Office equipment
