

The Wera Stainless Case

The ideal tool set for all stainless steel screw applications with Kraftform® stainless screwdrivers, stainless L-Key set in 2-components rubber clip for safe and durable hold of keys, Bit-Check® with 9 stainless bits and 1 stainless Rapidaptor® holder for high-speed bit change. All tools are vacuum-ice hardened. Stainless tools prevent extraneous rust risk in stainless steel screw applications and should be stored separately from other tools. The Wera stainless case is the perfect tool set for all users who have to deal with stainless steel.
