Product List

Product Name	QE4301-30S-F0
Status	Active
RoHS compliant	Yes
Series Name	QE Series
Connector types	Plug (original type)
Number of positions	30
Wire termination styles	
PCB mounting styles	
Contact types	No contact (sold separately)
Cable extending direction	Straight
Applicable wire size (mm ²)	
Applicable wire insulation diameter (mm)	
Applicable wire size	
Material of insulator	Synthetic resin (Green)
Material of contact	
Mating side contact finish	
Plating thickness of contact in connecting area (micrometer)	
Mounting-side contact length (mm)	
Accessory type	
Applicable contacts	031-50794,031-5067*,031-50794-002,031-5067*-002
Applicable product part numbers	
Mate to contact	
Use with accessories	QE-POL-KEY2
Remarks	
Related Documents	
Pair	QE4401-30P-F0

Notice:

- 1.The values specified in this web site are only for reference.
The products and their specifications are subject to change without notice. Contact our sales staff for further information before considering or ordering any of our products.
For purchase, a product specification must be agreed upon.
- 2.Users are requested to provide protection circuits and redundancy circuits to ensure safety of the equipment, and sufficiently review the suitability of JAE's products to the equipment.
- 3.The products presented in this web site are designed for the uses recommended below.
We strongly suggest you contact our sales staff when considering use of any of the products in any other way than the recommended applications or for a specific use that requires an extremely high reliability.
(1) Applications that require consultation:
(i) Please contact us if you are considering use involving a quality assurance program that you specify or that is peculiar to the industry, such as:
Automotive electrical components, train control, telecommunications devices (mainline), traffic light control, electric power, combustion control, fire

prevention or security systems, disaster evention
equipment, etc.

- (ii) We may separately give you our support with a quality assurance program that
you specify, when you think of a use such as :
Aviation or space equipment, submarine repeaters,
nuclear power control systems, medical equipment for
life support, etc.

- (2) Recommended applications include:
Computers, office appliances, telecommunications
devices (terminals, mobile units), measuring
equipment, audiovisual equipment, home electric
appliances, factory automation equipment, etc
