

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions in millimeters. The drawing includes a top view and a side view.

**Top View Dimensions:**

- Overall width: 206.4
- Overall height: 25.4
- Distance from top edge to first horizontal section line: 15
- Distance between first and second horizontal section lines: (32)
- Distance between second and third horizontal section lines: 12
- Distance from third horizontal section line to bottom edge: 15
- Distance from left edge to first vertical section line: 1/2
- Distance between first and second vertical section lines: 1
- Distance between second and third vertical section lines: 6
- Distance from third vertical section line to right edge: 1
- Overall width (bottom): 15
- Distance from left edge to first vertical section line (bottom): 15
- Distance between first and second vertical section lines (bottom): 12
- Distance between second and third vertical section lines (bottom): 7
- Distance from third vertical section line to right edge (bottom): 25

**Side View Dimensions:**

- Overall height: 206.4
- Distance from top edge to first horizontal section line: 15
- Distance between first and second horizontal section lines: (32)
- Distance between second and third horizontal section lines: 12
- Distance from third horizontal section line to bottom edge: 15
